A Passion to Perform.

Seize Opportunities for Positive Change

- **Centralize financial processes**
- **Forge partnerships with your business units**
- **Identify, instill and measure best practices**

Centralize financial processes

- **Sox: sign-off on financial reporting controls**
- **Tools enable you to view, analyze, move and invest cash globally**
- **Tier improvement in fees, spreads + rates**
- **Opportunity to engage supply chain to improve Working Capital Management**
- **Improved Cash Flow Discipline**

Forge partnerships with your business unit partners

- **Gain empowerment from management**
- **Organize conferences of regional and BU financial staff ; “our problem, our solution”**
- **Full use of intelligent tools cost-justify expensive fees (ERP modules, TWS)**

Instill best practices to forge better results

- **Benchmark key processes and outputs against peers**
- **Identify best practices to adopt, then work with BU's to instill them as a Standard Operating procedure**
- **Measure the results**

And the **winner** is ...

A Passion to Perform.
